ENTRY RULES: Please remember the following items when entering athletes:

Please verify that your entries are correct before submitting them.
Changes will not be accepted after the 9:00AM entry deadline.

- 1. Entry Limits:** An athlete may ENTER a maximum of 2 individual events and 3 relays. However, an athlete may only COMPETE in a maximum of four events: two individual events and two relays or one individual event and three relays. Once entered in an individual event, they cannot scratch it to compete in three relays.
- 2. Team Entry Limits:** Each team may enter a maximum of four swimmers per individual event and one relay.
- 3. Relay Entries** All relays must be correct in Team Manager and have all 6 names listed in Team Manager.
 1. ALL relay alternates must be listed in Team Manager.

2. The same six swimmers remain on a relay if it should advance to the State Meet. WIAA rules forbid changes to the 6 potential members of a relay between Districts and State.
3. Any combination of these 6 swimmers may swim in prelims and/or finals at the District Meet and State, subject to the usual athlete event limits.
4. You cannot add or change the 6 names after the entries after the 9:00AM entry deadline.

WILD CARDS:

1. If there are lanes available in an event after the qualified swimmers have been seeded, swimmers nominated as 'Wild Card Entries' will be entered, based on time, until all empty lanes in an event are filled. No new heats will be created. Potential Wild Card entries need to be listed in Team Manager.
2. A 'Wild Card Entry' counts toward the individual event limit of 2 per swimmer even if a swimmer is not ultimately entered in the event as an Optional Swimmer. Wild Card Entries cannot be declined. These are swimmers you entered in the event. If you do not want them to swim the event, do not list them in your entries. We will not Wild Card Relays. Please check the Psych Sheet to see if your swimmers Wild Carded In.
3. Enter Potential Wild Card Entries just as you would any other entry. Remember there is a limit of 4 entries per event. DO NOT MARK THEM EXHIBITION.
4. Wild card entry times can be meet during the 2021 season.
5. We will Wild Card Divers based on their submitted 11 dive entry score. We will fill to an even "Heat" of divers, 12, 18, or 24. If there are 16 qualified entries we will Wild Card 2 more to fill out 18 Spots.

DIVING FORM:

2. All protests must be in writing and turned in to the Meet Director within 30 minutes of the event or incident.
3. Judgment calls are not subject to protest.

SEATING & ENTRY: NO SPECTATORS ARE ALLOWED AT THIS EVENT.

COACHES: Please pick up your heat sheets, and other information from the meet manager upon arrival before the coaches meeting. Please help us to keep the pool deck and bleachers picked up and clean. Instruct your athletes to not leave anything in the locker room unattended.

If you require passes for managers they need to be emailed to the Meet Director along with your entries. We need a complete roster of coaches, managers, and any other official school representatives. All others will not be allowed into the building.

The pool deck is only for participants, coaches, and manager. Team members who are not participating will not be allowed in the building. Please assist the meet management with policing your own team.

Please advise your parents prior to them arriving at the facility that there is no spectators and they will not be allowed inside.

State Meet Qualification: Qualification for the WIAA State Meet is possible by any of three methods: Please read the WIAA Bound for State guidelines on the [WIAA web site](#).

1. Top 6 places will allocate from the SeaKing/West Central District swim meet to the State Meet.
2. An individual or relay team may also qualify by achieving the State time standard for that event. That event must be entered and competed at Districts.
3. If space is available in the State Meet it is possible to be a wild card entry based on the time achieved in finals at the District Meet. The process for wild card entries will be forwarded to you as well as included in your District Meet Packet.
4. In the event of a tie for the last allocation spot a swim off between the participants will be held. Lanes will be assigned by draw, and the meet referee will coordinate the time of the swim off after consulting with the coaches from the programs involved. A swim off would not be necessary if one of the participants concedes their allocation spot to the other program. The concession must be made by both swimmer and coach in front of the Meet Referee and Meet Director.

State Meet Entries: Please see the [WIAA](#) and [WISCA](#) web sites for information on state meet entries.

Parking: Please have your team buses park in the South Lot near the Tennis Courts. Cars illegally parked will be ticket or towed at the owners expense.

Concessions: Will not be sold. Please plan accordingly and bring the appropriate amount of food and water.

T-Shirts and Sweatshirts will be for sale online through [Rush Team Apparel](#). Please share with your athletes. There will be no onsite shirt sales.

Timers: See the last page for timer assignments. Timers must have timed in at least 2 meets this season and have provided their school with proof of vaccination for Covid 19. Timers must be adults and bring proof of vaccination to enter the building.
