NOTE: Alternates will be admitted when accompanied by their coach. They will not be issued floor passes and must remain in the general seating areas.

Artificial Limbs

Artificial limbs, which in the judgment of the WIAA are no more dangerous to contestants than the corresponding human limb and do not place an opponent at a disadvantage, may be permitted.

If a wrestler is allowed to wrestle with an artificial limb, he/she must weigh in with the limb. It is desirable and encouraged that the wrestler or coach have a written statement from a doctor and WIAA giving approval of this artificial limb, which should be obtained prior to the start of the season.

Weigh-in

Weigh-in for all classifications will begin at 8:00 am on Friday. Weigh-in Saturday begins at 8:00 am for all classifications. All wrestlers must be present at start of weigh-in and weigh-ins will be closed by classification by the tournament manager following the last wrestler to weigh in.

Wrestlers must have photo identification and tournament ID. Coaches are asked to sit in the bleachers during weigh ins.

Certified scales will be provided for this event. Weigh-ins must be conducted by the tournament manager or appointed representatives according to Federation Wrestling Rules. The Head Official must be present at the weigh-ins. A Games Committee member should be present at the weigh-in, if possible. A wrestler becomes an official entrant when they have successfully completed the weigh in process.

***The Thursday practice has been cancelled due to Covid protocols and will be for coaches packet pick up only.**

Bracketing & Scoring

Special consideration will be made in scoring if two (2) wrestlers from the same school meet. When two (2) wrestlers from the same school and same weight compete in the Regional or State Tournament, the winner will automatically receive advancement points based on a fall (pin). The match must be wrestled.

The State tournament shall be an 8, 12, 16, or 20-entry modified double-elimination tournament depending on the number of participating schools. Regional tournaments are 8-entry modified double-elimination tournaments, unless modified by the WIAA Executive Board. Scoring in Regional's will be based on six places in each weight class and at Mat Classic, 8 places for the 20-entry and 16-entry tournaments, 6 places for 12-entry tournaments, and 4 places for 8-entry tournaments.
